

PROBATE COURT OF TATTNALL COUNTY
Instructions for Completing
Annual/Final Return of Conservator

- § Returns of conservators must be full, complete and accurate. Estimates and rounding are **not** permitted.
- § The return is a report of every receipt and every expenditure of cash and is similar to a simple check register on a personal bank account.
- § If all funds are deposited into the conservatorship account(s) and all payments are made by check or drafts from those account(s), completing the return should be no more difficult than transferring the information from the bank records to these forms.
- § It is the responsibility of the conservator to fully and properly complete the returns required. **It is not the responsibility of court staff to prepare or correct returns.** Incorrect, incomplete or unbalanced returns will simply be returned to the conservator for completion or correction.
- § **Please NOTE: all returns must be typed or legibly printed in black ink. Illegible returns will NOT be accepted for filing.**
